## Year 3 Autumn Term Homelearning Timetable

Dear Parents and carers,

Below is a homelearning timetable for the Autumn Term. The activity for each day is designed to complement the learning completed in class. There will be a number of websites listed on the Year 3 page on the school website that can help the children with their learning. If you have any problems with any of the aspects of the learning, please don't hesitate to come and discuss it with one of us.

Mr Lara and Mrs Murt

Monday	Practise the weeks spelling for the quiz that will happen each <u>Tuesday</u> . A booklet will be sent home labelled with the quiz dates in the first week of term. Any additional practise that can be done through the week will be greatly appreciated
Tuesday	Please listen to your child read at least once a week and note it in their reading record. If your child reads frequently to themselves please make sure they they are recording it in their reading record and you have signed it.
Wednesday	Practise for the times tables quiz that will happen each <u>Thursday</u> . The children will be told which times tables they need to learn and, if required, and example of the test can be sent home.
Thursday	A maths or English activity will be sent home every Thursday which will relate to the learning done in class that week, or what will be coming in the following week. If the children could try to complete this as independently as possibly so that we can correctly assess their needs in the classroom. We will always encourage them to come and see us if they need some help. This will be due the following <u>Monday</u>
Friday	As part of a project, we would like the children to research, design and make their own Stone Age weapon. This can be made out of any materials at you may have around the home. This will be used as a writing prompt later in the term. Could these please be handed in by Friday 20 <sup>th</sup> October.

Threemilestone School is part of Truro and Penwith Academy Trust a charitable company limited by guarantee registered in England and Wales. Company number 08880841. Registered office : College Road, Truro TR1 3XX
