Talk Topic: The Summer Term is always very busy with residential trips, Year 6 productions, moving up days and sports days. What are you looking forward to most?

HEADTEACHER'S MESSAGE: Welcome back after half term! This week, Lamorna and Tregony classes are definitely creating a lot of interest this week as they are on a count down until the chicks in their classroom hatch. The children have written some fantastic sentences with amazing 'chick facts'! And at the other end of school, Year 6s have also started their transition programme to their secondary schools, with most attending the Richard Lander additional morning on Wednesday and attending the parent meeting in the evening. On the 3rd and 4th of July, most of our Year 6's will move up to Richard Lander for the 2 days and back at TMS, we will also be moving on to our new classes. Sadly, Mrs Bray will be leaving us after 13 years at TMS. We thank her for her commitment to the school during this long period and wish her every happiness as she spends more time with her 2 daughters. We are excited to have appointed

ATTENDANCE: The expected average percentage attendance for a class is 95+%. From 21st - 25th May 2018 the classes with the highest level of attendance were:

3rd Place: **Mullion Cove** with 98.2%

2nd Place: **Daymer Bay** with 98.4%

1st Place: **Blisland & Bedruthan** with 99.6% Congratulations. Well done and keep up the good work! **Blisland** and **Bedruthan** have been awarded 5 minutes extra play time.

FEETBEAT: Mrs Beckett will be running the Feetbeat club on Mondays from 3.15 - 4.15pm again this half term. If your child would like to join this club, please ask for a sign-up sheet from the school office.

A REMINDER: Please ensure that all adults and children dismount from their bikes and scooters before entering the school grounds. Please do not cycle / scoot through the parked cars in the staff car park. Thank you.

The new classes for September 2018 have been allocated. The table below shows the classes of 2017-18 and where they will be moving to in September:

STAR LEARNING AFTERNOON FOR Y1 AND Y2:

STAR learning afternoons for Year 1 (Monday 23rd July) and Year 2 (Wednesday 18th July). This term, we are welcoming families of Year 1 and Year 2 in for the afternoon, from 2pm. This is an opportunity for your children to show off the learning they have been involved in. It will be in the hall where tables will be set out and children will be able to show off their books over a cup of tea, juice and biscuits. There may also be the opportunity for the children to present some poems or stories they have been practicing.

Each week we display, in the newsletter, an example of the learning from one of our classes. The Year 3 Classes have been drawing a storyboard for a Russian fairy tale. They are now spending time innovating them to make them their own.

'THE TOOL SHED': Thank you to Mrs Walker for enabling the gardening club to receive some free tools from 'The Tool Shed'. They are a project which recycles tools and provides them to local organisations.

For more information on this project please visit; www.conservaationfoundation.co.uk.

YEAR 5 PRODUCTION TO FAMILIES:

Our wonderful Year 5 are practicing their production of 'Move It!' which they will be performing to families on Monday 11th June at 2.15pm and 6pm. Tickets have been issued and additional tickets are available from the school office for both performances.

There is lots going on this half term: camps, plays, family open afternoons, sports days Y6 leaving events and new Reception induction information evenings. Please note the dates and please do not hesitate to contact the office if you have any queries.

Yours sincerely, *Steagle*

Ms Suzannah Teagle, Headteacher
